"EthicsBase360 has completed a Tcertification due diligence review of Ecolog International FZE. Certification by EthicsBase360 signifies that Ecolog International FZE has completed internationally accepted due diligence procedures and has been forthcoming and cooperative during the review process. Tcertification underscores Ecolog International FZE's commitment to transparency in international commercial transactions."

Our decision to renew our Tcertification is a proactive approach which demonstrates our firm promise to provide quality service and products to all our valued clients. Ecolog will continue to strive to exceed client expectations by encouraging transparency throughout our business operations. To renew our Tcertification, we underwent a stringent due diligence process and completed internationally accepted due diligence procedures that required us to interact and cooperate with EthicsBase360 administrators during the review process. This successful completion demonstrates our commitment to commercial transparency.

Through Tcertification, Ecolog will be keeping up to date on corporate governance initiatives and developments by having staff attend EthicsBase360 workshops and ensuring that our personnel are also trained using EthicsBase360's multilingual online training tools. We are confident that Tcertification delivers valuable compliance credentials that are needed to demonstrate our reputation as a trusted service provider.

Sincerely yours,
